LETTER OF RECOMMENDATION

To Whom It May Concern,

I am writing this recommendation for Nabin Prasad, who has been employed with us since May 5, 2025. Throughout his tenure, Nabin has shown amazing commitment, and we are highly satisfied with his performance, versatility, and overall work ethic.

Nabin initially joined our team as a Guest Service Attendant, where he excelled in handling critical front-of-house logistics, including valet parking duties, bellman services, and luggage management. Demonstrating strong growth and reliability, he transitioned into the role of Guest Experience Specialist. In this capacity, he managed a wide range of daily operations, including guest check-ins and check-outs, reservation management, driving revenue through strategic upselling, and handling room assignments, while also providing comprehensive concierge services.

Notably, Nabin also stepped up to handle the overnight Guest Experience Specialist shifts. In this high-responsibility role, he worked entirely on his own, successfully performing nightly financial audits, closing the business day, and independently managing complex overnight guest situations with poise and confidence.

Nabin has my highest recommendation, and I am confident he will bring a strong commitment and a diverse skill set to his next role. Please feel free to contact me if you require further details.

Sincerely,

Jeremy Ughetto
